Courts Served

The District Court deals with Summary offenses. This makes up the bulk of the criminal work of the District Court.

Indictable offenses that are tried summarily (lesser offense).

Indictable offences - where the accused pleads out.

The Circuit Court or the Central Criminal Court - includes certain offences including rape, aggravated sexual assault murder, treason and piracy plus indictable offenses that are not tried summarily.

TAT is 1-3 days for major metropolitan areas and their surrounding vicinity.
